SUPPLEMENTAL AMENDMENT  
PURSUANT TO 37 CFR 1.111(a)(2)(E)

The Honorable Commissioner  
of Patents and Trademarks  
Box Non-Fee Amendment  
Washington, DC 20231

Sir:

We have become aware that recent changes to our office computing and printing environment have resulted in the omission of underlining and/or strikethrough delineating changes in claim language. The problem results in these characters being properly visible when viewed on screen but not when printed for filing. The problem has been corrected. This Supplemental Amendment is filed to correct the error in the Amendment filed by fax on November 14, 2007. The November 14, 2007 Amendment was itself responsive to the Advisory Action and Notice of Non-Complaint Amendment dated October 16, 2007, and supplemental to previous amendment dated October 3, 2007. No changes are made other than the correction of the aforementioned informalities. Please amend the above identified application as follows:
